How to buy a ticket for public transport:

As the Munich ticket machines can be quite confusing, it is a valid option to buy your tickets online: <https://www.mvg.de/abos-tickets/einzel-und-tageskarten.html#>
Here you can choose between single tickets, day tickets, etc.

If you want to buy it at the ticket machines: The easiest way to get the right ticket is to type in your departure point and end destination, the machine will then offer you different ticket-options.
